

IB ASIA PACIFIC REGIONAL WORKSHOP AGENDA

DP Design Technology (Category 1)

Cliftons Training Centre, Sydney, Australia

15 - 17 July 2010, Thursday - Saturday

Workshop Leader

David Hobman

David is a graduate of Imperial College and Oxford who is currently teaching Design Technology at the United World College of South East Asia in Singapore. He has over 25 years experience of the IB through writing and teaching a wide range of its programmes including Photographic Science and Electronic Systems and he was the founder member of the steering committee that created DT for the IB diploma programme. He taught the pilot programme at Atlantic College, Wales and he contributed to the development of the syllabus through its revisions.

Currently he is an examiner for the written papers and for Extended Essays in DT. He most recently lead the DT workshops in Atlanta, and he has spoken at several IB conferences about the need for technology education. His current interest is the creation of modules in problem-based learning and the completion of his MTeach in International Education.

He will contact workshop participants before July to receive suggestions about additional items to include in the agenda.

Please contact him by email at: dho@uwcsea.edu.sg

All participants are requested to bring with them the following:

- This agenda
- Current IB DT syllabus guide (from 2007)
- Teacher Support Material - download from OCC DT home page
