Confirmation of registration

- The IB coordinator and individual participants will receive an automatic acknowledgment of registration, followed by a formal confirmation of participation when the required number of participants has been received and the workshop can be opened. Please do not confuse the automatic acknowledgment with the confirmation of registration.
- IB Africa, Europe, Middle East reserves the right to cancel workshops that do not receive sufficient enrolment.
- All registrations are subject to space availability and are accepted on a first come, first serve basis. Registrations arriving on or before the workshop registration deadline are not guaranteed placement.
- Please do not purchase non-refundable airline tickets until you have received the formal confirmation of participation. The IB recommends the purchase of comprehensive travel insurance in cases where such reservations are unavoidable.

Changes to registrations of confirmed participants

- A registered and confirmed participant who is unable to attend may be replaced in the workshop concerned by another teacher from the same school, provided the replacement has the required criteria for that workshop.
- Registration cannot be transferred from one subject workshop to another unless authorization has been requested, and written confirmation received, from the IB Africa, Europe, Middle East Events Unit. In cases where such authorization has not been given, the registration will be cancelled with no reimbursement of the fee.
- No on-site applications for changes of subject workshop will be accepted.

Practical information for registering participants

- Participants' names on badges will appear as spelled in the online registration form.
- Avoid using accents and special characters, as these may not be recognized by our system.
- Ensure that the participant's email address is correct, for easy communication before and after the event.
- Accommodation information is available on the event web page of each workshop.
- Within a week after the event, coordinators will be notified by email that certificates of attendance can be downloaded from the IB online registration system.

Invoice and payment

Payment should be made upon receipt of the registration acknowledgment e-mail issued automatically once the registration has been completed via our on-line registration system (i.e. prior to event start date and prior to final confirmation of event).

N.B. Payment of workshop does not imply that the workshop participation has been confirmed. Therefore we strongly recommend that participants NOT make travel booking before the workshop participation has been formally confirmed by IB.

In the event a workshop is undersubscribed and has to be cancelled or oversubscribed and registration cannot be confirmed, registration fees paid for this workshop will be refunded in full via credit notes.

If a final invoice is required to make the payment, a request can be sent to the IB Credit Control Office: creditcontrol@ibo.org. A postal address, to which Credit Control can send the original invoice, should be included.

Any registrations made past the registration deadline will incur an extra charge of USD 100.00 (GBP 49.00, CHF 112.00).

These details are to be passed to your accounts department.

Please inform your bank that all costs are to be met in advance and that the IB must receive the exact amount due.

For authorized schools:

Authorized IB schools must pay in their assigned currency.

For interested / candidate schools:

Payment must be in British pounds (GBP) unless your school is already authorized in a separate programme. In this case, schools must pay in the currency assigned to the authorized school. Payment made by schools in Switzerland may be made in Swiss francs (CHF).

Whatever your means of payment, please be sure to quote the relevant references: our invoice reference number where applicable, your IB code or school name and the name of the workshops:

i.e. Programme (DP/MYP/PYP), city & date of the workshop.

This enables us to record your payment correctly. *For authorized schools, please quote both your IBIS code (if you have this) and your old code. For candidate schools, please use the code given to you to gain access to the OCC. For interested schools, please leave the code blank.

- As a general rule, passports must be valid for at least six months after a stay in any given country.
- While the the IB makes every effort to ensure that visas are granted to all participants, the final decision of the Ministry of Foreign Affairs is beyond the IB’s control and the regional office is under no obligation to reimburse a registration fee in cases where a visa is not granted.
