

LEARN, CARE, ACT, CONNECT!

## The Roots & Shoots program is born

- Founded in 1991 on Jane's back porch in Dar es Salaam, Tanzania

## Roots & Shoots Mission

- To foster respect and compassion for all living things
- To promote understanding of all cultures and beliefs
- To inspire each individual to take action to make the world a better place for the environment, animals and the human community

## What is Roots & Shoots?

- The Jane Goodall Institute's global environmental and humanitarian program for youth
- A network of groups that coordinate service projects in their local communities

## What do groups DO?

- Caring for:
  - Animals
  - Environment (plants)
  - The Community (people)
- Look at the communities & take positive action to improve the world
- Plan and execute service projects that show care and concern for the environment, animals and the human community

## Why join Roots & Shoots?

- Resource materials & templates
- Newsletters provide information & ideas for activities
- Network with other R&S, green & environmental groups locally
- Global network of R&S groups

## How does it Work?

- Register at [www.rootsandshoots.org](http://www.rootsandshoots.org).
- Get immediate access to online tools and resources
  - An extensive Project Database,
  - Downloadable handbooks,
  - Archive of how-to articles,
  - Discussion Boards to share experiences with others,
  - Monthly eNewsletter with project ideas and inspirational stories.
- With your students, plan and execute at least three service-learning projects per school year that show care and concern in each of three areas: people, animals or the environment.
- Share your project results and become eligible for a special Certificate of Recognition
- Connect with a global network of like-minded adults and students

## Who is Jane Goodall?

- World-renowned primatologist
- Founder of the Jane Goodall Institute
- Environmental champion and humanitarian
- United Nations Messenger of Peace

**Do ONE thing!**
