

Teacher Assessment for Exhibition Action

Name/ Class: _____

TIC: _____

Proposal of Action	The proposal demonstrates thorough understanding of the Central Idea and Lines of Inquiry and proposes well-defined project.	The proposal demonstrates considerable understanding of the Central Idea and Lines of Inquiry and provides a coherent objective.	The proposal demonstrates minimal understanding of the Central Idea but lacks a clearly detailed objective.	The proposal demonstrates inadequate understanding of the Central Idea and Lines of Inquiry but the objective is too broad and vague.
Student Selected Action	The action is clearly achievable and has logical steps with considerable time span.	The action is achievable and strategic yet does not provide clear resources and detail.	The action carries a number of activities that meet the minimum involvement of creativity and purposeful objective.	The action has a very limited variety of activities and resources with vague discussion of detail and objective.
Solution	A realistic solution is proposed and described. Documentation of action that works towards that solution is presented, described and analyzed.	A realistic solution is proposed and described. Documentation of action that works towards that solution is presented and described	A realistic solution is proposed and described. Documentation of action that works towards that solution is attempted to be proposed and described.	A realistic solution is proposed yet the documentation of action that works towards that solution is not evident.
