

# IB Asia Pacific Events Calendar 2010

**Information:**

1) IB Asia Pacific Programme Managers and Sub-Regional Representatives collaborate to ensure that the long-term professional development needs of the entire region are met. This professional development calendar is the product of that ongoing collaboration. Some details are to be confirmed (TBC), and details regarding events listed may be subject to change during the course of the year. **Refer to the IB Asia Pacific website at <http://www.ibo.org/ibap/workshops> regularly for up-to-date information.**

2) Each workshop are classified as Categories 1, 2 & 3, each targeting at different levels of teaching and IB experience.

- Category 1 workshops provide an introduction of IB to educators new to the programme and prepare educators to successfully implement the IB programme. Participants are not expected to have any background knowledge of the IB subjects and programmes.
- Category 2 workshops enhance the understanding of the IB philosophy and programme model, and improve the quality of programme delivery. Participants are expected to have background knowledge of the IB subjects and programmes.
- Category 3 workshops provide a forum for exploring educational ideas and areas of interest, as well as opportunities for investigation into specific areas of expertise. Participants are expected to have background knowledge of the IB subjects and programmes.

3) An official "IB Certificate of Attendance" is awarded to participants who have attended all sessions of a workshop. Please ensure that travel arrangements do not preclude candidacy for a certificate.

4) Effective September 2009, the Early Bird registration fee for workshops is **USD525**. Early Bird fees should be paid prior to the Early Bird deadline. The standard registration fee is **USD595**. Fees are exclusive of the cost of travel and accommodation.
