# Letter from IB Americas

Dear Colleague:

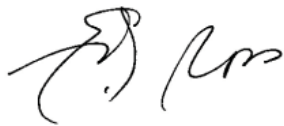

Professional development is the foundation of all IB programmes. IB Americas provides this foundation by offering varying levels of training with specific goals and objectives. Included in this booklet you will find the tools you need to choose the correct workshop for your professional development requirements. To this end, we have included:

- the description and intended audience of each workshop level (page 3)
- the goals and objectives of each workshop level (page 4)
- a listing of all subjects available at each workshop location (pages 8-16)
- an overview of workshops (page 17)

Because new orientation workshops may be scheduled at any time they are not included in this booklet. You will find a listing of orientation seminars and all IB Americas professional development events including contracted workshops, draft programs and Hotel & Travel Information on the IB web site, <http://www.ibo.org/events>.

I hope you continue to find IB Americas professional development valuable to your school and to your students. Please do not hesitate to call IB Americas at 212.696.4464, if you have any questions or concerns.

Sincerely,

Emily Ross  
Head of Professional Development  
IB Americas

# Description of Workshop Levels

IB Americas offers a four-tiered workshop structure that is designed to articulate to the audiences training goals and objectives of each workshop and seminar. Please see page 4 for a complete description of the training goals and objectives.

A note to teachers and coordinators who:

- have extensive IB teaching experience but find themselves teaching in applicant schools
- do not have IB teaching experience but find themselves teaching in schools with long-established IB programmes

Under these circumstances, teachers need to consider the goals and objectives of Level 1 and Level 2 workshops (page 4) to decide which workshop will best fulfill their training needs.

Teaching Experience/ <i>IB Teaching Experience</i>	Orientation	Level 1	Level 2	Level 3
New/ <i>New</i>		X		X
Experienced/ <i>New</i>		X	X	X
Experienced/ <i>Experienced</i>			X	X
All Educators	X			X

Pre-requisite for Level 3 workshop is attendance at a Level 1 or Level 2 session.

**Orientation Seminars** are one-day sessions that are designed for school officials and leaders who are investigating the feasibility of bringing the IB to their schools. *Orientation Seminars are not required training and do not cover the application process.* IB Americas Workshop Providers and Associations of IB World Schools offer Orientation Seminars which can be found on the IB Events Calendar at <http://www.ibo.org/events>. *Please see page 19 & 20 for a complete list of IB Americas Workshop Providers and Associations of IB World Schools.* Orientation Seminars are not included in this publication because additional seminars may be scheduled at any time throughout the year.

**Level 1: Application & Authorization Workshop** is a three-day workshop that provides training and assistance for schools that have decided to apply for IB authorization. For PYP, Level 1 training includes an optional session covering Part B of the application process. Level 1 workshops are open only to teachers currently teaching in IB schools or in applicant schools. *Please note that Level 1 is the only required training for the Application and Authorization process.*

**Level 2: Experienced IB Teachers Workshop** is a three-day workshop for teachers who have completed Level 1 training and/or who teach in schools that have begun to implement the IB. For PYP schools, the Level 2 workshop is for authorized schools as well as candidate schools that have submitted Part B of the application. *Level 2 workshops are open only to teachers currently teaching in IB schools or in applicant schools.*

**Level 3: Topical Seminar** is a three-day workshop covering an extensive range of subjects. Please visit <http://www.ibo.org/ibna/workshops/> for more detailed information regarding each seminar. Seminar descriptions indicate the audience(s) for whom the topic is appropriate. *Please read seminar descriptions thoroughly before registering.*

## Déclaration de mission du Baccalauréat International

*L'éducation pour bâtir un monde meilleur*

*Le Baccalauréat International a pour but de développer chez les jeunes la curiosité intellectuelle, les connaissances et la sensibilité nécessaires pour contribuer à bâtir un monde meilleur et plus paisible, dans un esprit d'entente mutuelle et de respect interculturel.*

*À cette fin, l'organisation collabore avec des établissements scolaires, des gouvernements et des organisations internationales pour mettre au point des programmes d'éducation internationale stimulants et des méthodes d'évaluation rigoureuses.*

*Ces programmes encouragent les élèves de tout pays à apprendre activement tout au long de leur vie, à être empreints de compassion, et à comprendre que les autres, en étant différents, puissent aussi être dans le vrai.*

## Declaración de principios

*Una educación para un mundo mejor*
