Assessment fees for IBCC: There are two assessment fees.

- **The candidate registration fee** is paid once for each student to take one or more examinations in a particular examination session.
- **The candidate subject fee** is paid for each assessed subject taken by an individual student. There is no fee for the reflective project.

I think we should keep your initiative. Also, we need to plan our training for teachers. Do you want to do that?

Help! We are ready to begin this process and I have two very important questions: 1) Can we do this successfully without having someone go to IBCC Category 1 or 2 Coordinator Training? No one has been to any training in IBCC at all. 2) Where can I obtain the current form for Applications for Candidature? The form I have is marked "Pre-Publication.

As the IB Diploma Coordinator I have been given the task of beginning this process. We are very serious and do not want to make a major mistake since we presently have DP, MYP, and PYP in our school district.

However, the IBCC will be made available to all schools as a standalone programme in the near future. A formal statement including logistics, timeline and costs will be made available by the IB later in 2014.’
