SPONSORSHIP & EXHIBITION PROSPECTUS
INTRODUCTION

Join us at the **IB Global Conference, Hong Kong**! This is one of the region's largest gathering of leaders and key decision makers from the international education community. Become a valued exhibitor or sponsor for an opportunity to engage with professionals in the community.

The IB Global Conference, Hong Kong 2019 to be held from **24 to 26 March** will take place at **AsiaWorld Expo**. It is situated on the southeast coast of China, Hong Kong’s strategic location on the Pearl River Delta and South China Sea has made it one of the world’s most thriving and cosmopolitan cities.

From its earliest days, Hong Kong served as a centre of international trade. The arrival of immigrants in large numbers helped launch a new role for Hong Kong as a major manufacturing hub. It also brought economically stimulating energy and industry to the city’s character. In recent decades, as the economy of Mainland China has undergone a process of opening up, Hong Kong has transformed yet again – this time into a service-based economy as well as an important gateway to the world’s largest market.

Information provided is taken from the Official Hong Kong Guide. Please visit the official website to find out more about the city.

AsiaWorld-Expo opened in December 2005 and has become a world-class venue in Hong Kong, offering over 70,000 square metres of rentable spaces for exhibitions, conventions, concerts, sports and entertainment events. This state-of-the-art venue is located right next to the Hong Kong International Airport and at the centre of an extensive and efficient air, land and marine transport network. Please visit the AsiaWorld Expo website for more information.
