

Requested Professional Development Terms & Conditions

Global Terms & Conditions for Requested Professional Development

These Terms & Conditions apply across IB regions to all requested workshop types.

Who can submit a request?

Any current IB World School, candidate or 'interested' school can request a workshop, and submissions will be reviewed on a case-by-case basis. Please note that for billing purposes, your school will require access to "MySchool" to request a workshop. IB Associations and IB Groups of Schools that support IB World Schools, candidate or interested schools can also request a workshop.

Professional Development Models

Single school

Requested IB training events that consist of one or more workshops organized to meet one school's professional development needs. These events support schools in meeting authorization and evaluation requirements and provide a collaborative environment for teachers and staff.

Multi-school

Requested IB training events that consist of one or more workshops organized to meet the professional development needs of two or more schools located within close proximity to one another. Multi-school events are designed to address training needs that cannot otherwise be met through existing events organized by the IB or its approved providers, and to provide collaboration and networking opportunities for educators.

Delivery Modalities

Face-to-face

Application deadlines and approvals

Schools must submit a request to host a face-to-face workshop via the Requestor Portal at least twelve (12) weeks before the desired workshop start date. Requests submitted after this date may be subject to delays and may not be approved.

Workshop schedules

All requested IB face-to-face workshops comprise a total of fifteen (15) hours of instruction over two (2) consecutive days. Please refer to your regional [Terms & Conditions](#) for specific information on face-to-face workshop schedules.

Participant Requirements

Both single and multi-school face-to-face events require a minimum of seven participants per workshop. There is a maximum of 25 participants per Workshop Leader, above which a second iteration may be suggested, or another leader invited to co-lead. Please refer to your regional [Terms & Conditions](#) for further information.

Certification

In order to fulfil the criteria for completion, participants must attend all workshop sessions, as confirmed by attendance lists submitted to the IB post-event.

Online

Online delivery provides educators with the opportunity to experience the same learning outcomes as face-to-face workshops, but with added flexibility where participants do not need to take time out of school.

Requested online workshops provide educators with an exclusive offering for their own school. These workshops delivered to one school allow closer interaction with online facilitators and therefore offer a more personalized experience.

Application deadlines and approvals

Requested online workshops are delivered during pre-scheduled sessions throughout the year, occurring on the first Wednesday of each month.

Schools must submit their request for an online workshop via the Requestor Portal at least **five weeks** before the desired session start date.

Workshop schedules

Participants will engage in asynchronous, facilitated instruction over a four-weeks (4) time period. Guidance on how to engage and time spent to complete various learning activities will be provided to participants by the online workshop's facilitator. Please note that Developing the MYP Introductory workshop takes place over a one-week time period.

Participant Requirements

Requested online workshops require a minimum of seven (7) and a maximum of twenty-five (25) participants per workshop. If more than 25 places are needed, this will have to be requested as a new workshop session.

Please note that the introductory workshop *Developing the MYP* allows a maximum of up to 50 participants per iteration.

Certification

Participants are encouraged to commit to at least four hours a week engaging with learning activities and must complete all relevant assignments to be eligible for a certificate.

For further information please visit the Online PD Completion Criteria page [here](#).

Authorized IB World Schools must submit their request for a virtual workshop via the Requestor Portal at least **eight weeks (8)** before the desired workshop start date.

Requests submitted after this date may be subject to delays and may not be approved.

Workshop schedules

Requested IB virtual workshops consist of 6 one-hour sessions of primarily synchronous engagement over 2 consecutive days with an independent work assignment to be completed between Day 1 and Day 2. Please note the following conditions:

- By applying for virtual delivery, the school is committing to ensuring that its registered participants have access to reliable internet access and IT support during the event. Redelivery or refunds will not be provided for IT issues experienced by the school or individual participants.

Participant Requirements

Requested virtual workshops require a minimum of seven (7) and a maximum of twenty-five (25) participants per workshop. If more than twenty-five (25) places are needed, this will have to be requested as a new workshop.

Certification

In order to fulfil the criteria for completion, participants must attend all sessions of the workshop, as confirmed by attendance lists submitted to the IB post-event.

General IB Event Policies

What is the billing process?

IB World schools, candidate schools and interested schools with access to “MySchool” will receive a final invoice according to the following timelines. All invoices must be paid within thirty (30) days of receipt.

A final invoice will be sent to single payers after the registration deadline has passed. A final invoice will be sent to multiple payers two weeks after the event’s conclusion. Payment by credit card is not accepted.

Cancellation Policy

Registration cancellations received up to twenty-two (22) days prior to the first day of the workshop will receive a full refund. The school or group of schools will receive a credit to their account for all paid registrations, which can be used toward other IB invoices or workshops.

If the school or group of schools cancels a workshop after a workshop has been confirmed, the school or group of schools will be responsible for all costs incurred by the IBO. Costs incurred may include fees related to: Travel and Hotel Accommodations, including all applicable taxes. Any additional costs incurred will be based on the circumstances surrounding the cancellation.

We recognize that many participants must travel to attend IB workshops. The IB expects registrants to make every reasonable effort to report to the workshop for which they are registered. Please be aware if the workshop is held, no refunds or credits will be issued for difficulties encountered in transit. Participants are encouraged to purchase a travel insurance plan designed to protect the traveler from losses that may result from sudden and unexpected conditions or events.

The IB reserves the right to cancel a workshop due to low enrollment or unforeseen circumstances. We will make every effort to give participants as much advance notice as possible of any changes to their enrollment. In the unlikely event that the IB must cancel a workshop, we will refund any paid registration fees to your school account, which can be used toward other IB invoices or workshops. Credit card payments will be refunded to the card used at time of registration.

Please note that the IB does not reimburse participant travel expenses.

Audiovisual Recording Policy

The audio and/or videotaping of IB events is strictly prohibited. Anyone in breach of this policy may be asked to leave without refund of participation fees.

The International Baccalaureate sometimes requests a photographic, digital, video, or film record of its conferences, workshops and other events. Whenever it chooses to make such records it will only ever make use of them for its own legitimate business purposes.

By registering for and attending an IB event, participants are deemed to accept that they may be included in such a recording.

In the event that the participant becomes aware of his/her image being used in a way with which he/she is uncomfortable, he/she should make representations to the event organizers who will be able to contact the relevant IB department.

Safety Policy

Neither the IBO nor its directors, officers nor agents are responsible or liable for the safety and property of participants or their companions during the IB events or any excursions related thereto. Travelling to and from the IB events venue should take place under the participants' sole responsibility.

Participants are responsible and liable for their safety and property. Participants are advised to seek information on potential health and security risks for themselves and their companions at the workshops and to secure adequate insurance coverage.

Covid-19 Related Expenses

In case of Covid-19 lockdown or restrictions in either the host school's country/state or the Workshop Leader's country/state, host schools are responsible for any COVID-19 related expenses including but not limited to workshop leader quarantine and/or testing required by local/state/national/school guidelines, as well as costs incurred resulting from flight cancellations due to local/state/national/school guidelines imposed on a rolling basis. This is also applicable to host schools that wish to switch a confirmed face-to-face workshop to virtual mode of delivery.

The IB may cover costs of a Covid-19 test submitted via a claim expense form. Workshop Leaders or the host school can contact the IB in advance of the workshop to request a reimbursement.

Traveling to and from an IB event

In the case of an emergency situation during the workshop at our face-to-face events, your school is responsible for any logistics and costs that may arise to ensure that you arrive home safely. For these reasons we encourage you to consider purchasing travel insurance which covers such eventualities.
