Provisional Data

These data tables are provisional. They are a snapshot of outcomes taken shortly before results are released to students and do not reflect changes due to Enquiry upon Results or IB investigations where schools have not responded to inquiries by issue of results. A confirmed version of this statistical release will be made available after the close of the assessment session. Whilst provisional, we do not anticipate significant changes to outcomes or entries to occur when the final bulletin is released.

Context for this statistical bulletin

For the non-examination contingency the IB used the available evidence from teachers on the student achievement; the marked coursework that the student had already completed, the predicted grade from the teacher and evidence on how these two pieces of data usually related to final grades for each school.

The IB has made every effort to ensure parity between the examination and non-examination contingency and recommend all stakeholders to treat them as equivalent. All statistics are based on the combined examination and non-examination contingency.

Number of students achieving 45 points

From the May 2023 Diploma Programme (DP) and Career-related Programme (CP) assessment session, the statistical bulletin will no longer include data on the number of students achieving 45 points. The IB has made this decision because it values the importance of focusing on the achievements of all students—we are equally proud of all our IB students and the accomplishments they achieved during their two-year DP or CP journey. By presenting the proportion of points in bands of 5, we believe that there is sufficient information for interested parties to understand our standards.

If you have feedback on this statistical bulletin please email: support@ibo.org

Programmes

Diploma Programme (DP)

Career-Related Programme (CP)

Categories of registration

DP Diploma qualification students must register in one of three categories:

Diploma: Students intending to complete the requirements for the award of an DP Diploma.

Retake: Previous DP Diploma students who are seeking to improve their results by retaking one or more subjects. The highest grade obtained for a subject will contribute towards the DP Diploma.

Anticipated: Students intending to complete the requirements for one or two standard level subjects (excluding languages ab initio and pilot subjects) at the end of their first year of the Diploma Programme. They must complete all remaining DP Diploma requirements in the corresponding examination session the following year.

CP Certificate qualification students must register in one of three categories:

Career-Related Programme: Students intending to complete the requirements for the award of an CP Certificate.

Retake: Previous CP Certificate students who are seeking to improve their results by retaking one or more subjects. The highest grade obtained for a subject will contribute towards the CP Certificate.

Anticipated: Students intending to complete the requirements for one standard level subjects (excluding languages ab initio and pilot subjects) at the end of their first year of the Career-Related Programme. They must complete all remaining CP Certificate requirements in the corresponding examination session the following year.

Course: Students taking one or more subjects who are not seeking the award of the DP Diploma or CP Certificate.

Results

DP Diploma Results: Data includes all Diploma and Retake category students whether they were awarded the diploma or not. Unless otherwise stated.

CP Certificate Results: Data includes all Career-related programme and Retake category students whether they were awarded the certificate or not. Unless otherwise stated.
